

Consider Yourself!

Consider yourself at home
Consider yourself part of the family
I've taken to you so strong
It's clear, we're, going to get along

Consider yourself well in
Consider yourself part of the furniture
There isn't a lot to spare
Who cares, whatever we've got we share

If it should chance to be we should see
Some harder days
Empty larder days
Why grouse?
Always a chance we'll meet somebody
To foot the bill
Then the drinks are on the house

Consider yourself our mate
We don't want to have no fuss
For after some consideration we can state
Consider yourself one of us

Nobody tries to be la-di-da and uppity
There's a cup of tea for you all
Only it's wise to be handy with a rolling pin
When the landlord comes to call

Consider yourself our mate
We don't want to have no fuss
For after some consideration we can state
Consider yourself one of us

Consider yourself one of us!
