

## **When You're Smiling**

### **Des:**

When you're smiling, when you're smiling  
The whole world smiles with you  
When you're laughing, when you're laughing,  
The sun comes shining through  
But when you're crying you bring on the rain  
So stop your sighing be happy again  
Keep on smiling cause when you're smiling  
The whole world smiles with you.

### **All:**

When you're smiling, when you're smiling  
The whole world smiles with you  
When you're laughing, when you're laughing,  
The sun comes shining through  
But when you're crying you bring on the rain  
So stop your sighing be happy again  
Keep on smiling cause when you're smiling  
The whole world smiles with you.
